

## Reflections on the Team Marshmallow Tower Project

Team Member Names (who are present today)

Michael Nathan Naelan Audrey

What went well on the project?

Good height

Pyramid design

What didn't go well on the project?

Time management

Nonsticky tape

Labor distribution

Could participation have been improved? How?

No

Could leadership have been improved? How?

Yes Nathan delegated everything to Michael and then sat back and watched

Could results have been improved? How?

Yes

Putting the marshmallow on the top of the structure
